# Financial overview

## Revenue by segment – positive impact of acquisitions

- › Continued operational momentum with total group revenue growth of 11%
- › Strong revenue growth in North America, up 50% year on year, driven by successful integration of MMi
- › Steady growth in UK & Ireland and Continental Europe, both up 7%
- › Reduction in APAC revenue of 11%, reflecting the impact of back-weighted Contract Compliance business and the temporary slowdown in the local agency selection market

# Financial overview

## Adjusted operating profit by segment

Segment	Adjusted operating profit margin	
	H1 2023	H1 2022
	%	%
UK & Ireland	26%	22%
Continental Europe	32%	32%
North America	13%	0%
APAC	9%	17%
Unallocated	(9%)	(9%)
Adjusted profit – Continuing Operations	15%	13%

- › UK & Ireland: operating profit grew by £0.8m to £3.7m; margin strengthened to 26%
- › Continental Europe: consistently strong operating profit margin of 32%; increased profitability in the Nordics, France and Spain
- › North America: operating profit margin up 13 percentage points, reflecting scaling benefits of a larger business together with increased volumes from higher margin Digital Media Services
- › Asia Pacific: operating profit margin down 8 percentage points, reflecting the impact of lower revenue in the Group's smallest market, expected to normalise in H2

# Financial overview

## Robust balance sheet

- › Net assets increased by £9.2m, largely due to share issue of c£10m in partial settlement of Digital Decisions earn out
- › Net working capital of £8.5m, similar to Dec 22 balance, up from £8.0m
- › Deferred consideration – MMi £2.4m and Digital Decisions £15.8m (Dec 22 only)
- › Other non-current liabilities' reduction of £2.0m largely due to regular lease liability payments in H1 2023
- › Net debt of £15.0m analysed on slide 9

Balance Sheet Summary	June 2023	December 2022
	£m	£m
Goodwill	42.3	43.1

# Market context and Ebiquity's role

Scale, complexity and dynamism creates **opportunity** for Ebiquity

---

Our purpose is to help brand owners **increase returns** from media investments and so improve **business performance**

---

**Eliminate wasteful spend** and create value by analysing US\$ billions of media spend and trillions of digital media impressions from across the market

---

A data analysis company providing **actionable intelligence** and consultancy services for the global media and marketing industry

---

# How we support clients

## Services provided through four Service Lines

### Media Management

- › The right media models, partners, operations, processes and technology to achieve objectives

### Media Performance

- › Greater transparency, governance, efficiency and accountability of media investments

### Marketing Effectiveness

- › Attributed, forecast, and optimise investments to improve business outcomes and increase ROI

### Contract Compliance

- › Provided through the FirmDecisions brand
- › Ensuring agency compliance with contractual terms, delivering transparency and insights, and returning value owed

# Progress against strategy

# Strategic objectives

**Geography** – accelerate growth in North America and Asia Pacific

**Product** – productized digital services, innovation for newly critical channels, diversify service offering

**Clients** – develop higher value strategic relationships

**Operating efficiency** – increase automation, transform operating model

# Accelerating growth in North America

The world's largest advertising market – 39% of global ad spend

- Our fastest growing region – revenue growth of **50%**
- Successful integration of MMi and Forde & Semple
- Focus on selling Digital Media Solutions
- 19 of the 25 largest advertisers in the US are clients
- Significant growth potential – more than 200 advertisers spend over US\$100m annually

# H1 new business - expanding relationships with major clients

- › Our objective is to develop higher value strategic relationships with more major clients in more territories
- › Significant additional assignments gained in H1:

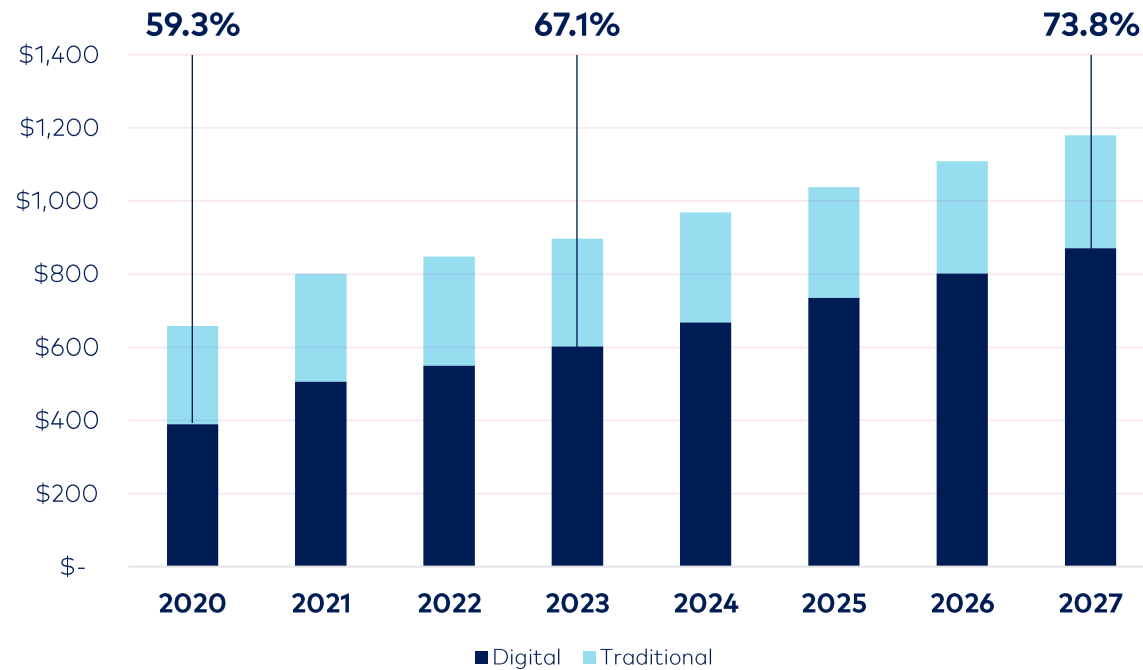

US	Europe
 	  
China	Global
  Mercedes-Benz	 

- › Global client revenue growth solid during H1 but some pressure in H2

# Priority has been to address the digital media market

## Digital Media Growth

Global Digital and Traditional ad spending (bn of USD)

Source: eMarketer

➤ Digital increasingly a priority for brands vs linear media

➤ High relative complexity and wastage in digital

Priority for clients to establish **efficient and effective** digital media investment processes globally

# Productised Digital Media Solutions

- › Digital Decisions (acquired Jan 2020) became the Digital Innovation Centre and the engine of solution development
- › Successful acquisition with final payment of deferred compensation made in May
  - Three founders remain in the business
- › Productised solutions to help advertisers eliminate waste from their digital supply chain
- › Very strong value proposition - value opportunity identified for clients now over US\$ 1bn since inception
- › Continued client uptake and 32% revenue growth YoY
- › Now at 9% of group revenue; high margin; repeatable revenue

# New product innovation

CTV product launched in US

Initial solution piloted for US market

Strong findings, clear value proposition

Repeat purchase, increased number of brands

Develop scalability

### U.S. CTV Media Digital Ad Spend: \$bn

**+21%** CTV spend, fastest-growing in 2023

**hulu** **YouTube** **Roku**

# New product innovation

Measurement solution for CO<sub>2</sub> emissions from digital advertising

NPD for Retail Media and Influencer Marketing in progress

Early stage thinking for application of Generative AI

# Generative AI

- › **Internal applications** for efficiency gains
  - production of digital media solutions, data processing and analysis, workflow management, HR, legal
- › **Product and Service** enhancement
- › Ebiquity has large **data lakes** in a closed environment
- › Train AI on **proprietary** and **secure** curriculum
- › Potential for **productised** first line client management, self-serve applications, new client interface opportunities, **faster** client service
- › **Opportunities** appear greater than threats

# Major three year transformation programme initiative

- › Strategic objective to improve efficiency of core business through improved use of automation
- › Aim to transition the processing of core services on to the GMP365 data management platform over three years
- › Very significant internal transformation work undertaken during H1
  - Change of workflow processes, development of specialisms, job specifications, mutualisation of resources, staff training, re-calibration of core products, client and agency relationship management
- › Transition of agency selection (Media Management) work is well advanced
  - 78 processes managed on the platform in H1
- › Transition of the ValueTrack service (Media Performance) is progressing with c 50% migrated
- › Core benchmarking service (Media Performance) yet to start transitioning
  - Intensive work re-calibrating the product for global adoption using GMP365
- › Majority of transformation costs in 2023, 2024; annualised operating efficiency savings expected by end 2025

# Summary

# Progress against operating metrics

		2020a	2021a	2022a	H1 2023
	# clients buying 2+ service lines	58	76	97	On target
	# clients buying Digital Media Solutions	10	28	55	Ahead of target
	Volume of digital impressions analysed in Media Data Vault - trillions	0.1	0.6	1.4	On target
	Value of digital advertising analysed in Media Data Vault	\$0.5bn	\$3.0bn	\$6.6bn	Ahead of target
	# clients activated in GMP365	-	55*	74	Ahead of target
	% revenue derived from digital services	25%	29%	32%	On target

\* At time of acquisition April 2022

# Summary

- › A more difficult market in H1 but continued growth
- › Very significant 3 year internal transformation programme initiated to improve efficiencies and adopt automation
- › Continued progress of productised digital services and innovation
- › Encouraging momentum in the US
- › While some clients have reduced budgets due to market conditions, indicating less buoyant near term outlook, opportunities remain for continued revenue growth and margin enhancement
- › Building a world leader in business intelligence and consulting services for the highly complex global media and marketing industry

# Ebiquity is the world leader in media investment analysis

We deliver data-driven solutions that **create value and eliminate waste**, enabling brand owners to **increase returns** from their media investments and **improve business outcomes**

Our independent, fact-based advice is delivered through four service lines:

› **Media Management**

› **Media Performance**

› **Marketing Effectiveness**
