Recommendation

The Directors consider that all the resolutions set out in the Notice of AGM are in the best interests of the Company and its shareholders as a whole and recommend that you vote in favour of each of these resolutions, as they intend to do in respect of their own beneficial shareholdings in the Company.

13. That, if resolution 11 above is passed, the Board be authorised under section 570 of the Act in addition to any authority granted under resolution 12 above, to allot equity securities (as defined in section 560 of the Act) for cash under the authority given by that resolution and/or to sell ordinary shares held by the Company as treasury shares for cash as if section 561 of the Act did not apply to any such allotment or sale, such authority to be limited to:

- and this authority shall expire, unless previously revoked, renewed or varied, at the end of the next AGM of the Company or, if earlier, at the close of business on 27 August 2027 but, in each case, prior to its expiry the Company may make offers, and enter into agreements, which would, or might, require equity securities to be allotted (and treasury shares to be sold) after the authority expires and the Board may allot equity securities (and sell treasury shares) under any such offer or agreement as if the authority in this resolution 13 had not expired.

Notice of Meeting continued

Authority to purchase own shares

14. That the Company be generally and unconditionally authorised for the purposes of section 701 of the Act to make market purchases (within the meaning of section 693(4) of the Act) of ordinary shares in the capital of the Company, provided that:

- a) the maximum number of shares which may be purchased is 14,121,553;

the authority conferred by this resolution shall, unless previously revoked, renewed or varied, expire at the conclusion of the next annual general meeting of the Company, or, if earlier, at the close of business on 27 August 2027, save that the Company may, before such expiry, enter into a contract for the purchase of shares which would or might be completed wholly or partly after such expiry and the Company may purchase shares under any such contract as if the authority in this resolution 14 had not expired.

 - ii. the deferred shares shall not entitle the holders to any dividend or other distribution whether in cash or in specie, nor to participate in any profits or earnings of the Company;
 - iii. on a winding-up or other return of capital of the Company, the holders of the deferred shares shall be entitled to receive, in aggregate, an amount not exceeding £0.01 in respect of all deferred shares in issue, and only after the holders of all other classes of shares in the capital of the Company have received in full all amounts due to them;
 - iv. the deferred shares shall not be transferable without the prior written consent of the board;
 - v. the deferred shares may be purchased, redeemed or cancelled by the Company in accordance with the provisions of the Act for a consideration of £0.01 in aggregate for all deferred shares, and the directors are authorised to do all such things as may be necessary or desirable to give effect to such purchase, redemption or cancellation.

Notes

1. Entitlement to appoint proxies

We encourage all shareholders to appoint the Chair of the meeting as their proxy. This will ensure that your vote will be counted even if you are unable to attend.

Shareholders are entitled to appoint a proxy to exercise all or any of their rights to attend, speak and vote on their behalf at the meeting. You may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different share or shares which you hold. A proxy need not be a member of the Company. If you complete and return a form of proxy you will still be able to attend the AGM, speak and vote if you wish, whether electronically or in person at the physical meeting. **However, as noted above, you are strongly recommended to appoint the Chair of the meeting as your proxy, who will vote in accordance with your instructions.**

2. Appointing proxies

You may appoint one or more proxies by:

- a) completing the accompanying form of proxy and sending a scanned pdf by email to **#UKCSBRS.ExternalProxyQueries@computershare.co.uk** or returning it by post to Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY (together with any power of attorney or other written authority under which it is signed);
- b) using the online proxy appointment service at **www.investorcentre.co.uk/eproxy** if you have signed up to receive e-communications from the Company. You will need to enter the control number, shareholder reference number (SRN) and your PIN from the communication you will have received from the Company for this purpose. If you have not signed up to receive e-communications from the Company but would like to do so, please contact Computershare on 0370 707 1345 or you can sign up at **www.investorcentre.co.uk**.
- c) submitting your proxy electronically by using the CREST proxy service. CREST members may appoint a proxy or proxies electronically via Computershare (ID number 3RA50) in accordance with note 3 below.

To appoint more than one proxy, you may either photocopy the form of proxy accompanying this Notice or contact Computershare on 0370 707 1345 to request additional forms of proxy. If you return more than one proxy appointment in respect of the same shareholding, the proxy last received by Computershare before the latest time for the receipt of proxies will take precedence. To be valid, any proxy form or other instrument appointing a proxy must be deposited with Computershare or lodged via the CREST proxy service (in each case) **no later than 10:00 am on Tuesday 26 May 2026**.

3. Electronic proxy appointment through CREST

CREST members who wish to appoint a proxy or proxies using the CREST electronic proxy appointment service may do so by following the procedures described in the CREST Manual. CREST personal members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & Ireland Limited (EUI) specifications and must contain the information required for such instructions, as described in the CREST Manual. In order to be valid the message must be transmitted so as to be received by the issuer's agent (ID 3RA50) **no later than 10:00 am on 26 May 2026**, regardless of whether it relates to the appointment of a proxy or to an amendment to the instructions given to a previously appointed proxy.

For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST applications host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service provider(s) should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that their CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Notes continued

4. Joint holders

In the case of joint holdings, only one holder needs to sign the form of proxy. The vote of the senior holder who tenders a vote will be accepted to the exclusion of the votes of the other joint holders, seniority for this purpose being determined by the order in which the names stand in the register of members in respect of joint holdings.

5. Entitlement to attend and vote

In accordance with Regulation 41 of the Uncertificated Securities Regulations 2001, only those whose names are on the register of members of the Company at the close of business two days (excluding non-working days) before the meeting or any adjourned meeting, shall be entitled to attend or vote at the meeting in respect of the number of shares registered in their name at that time. Changes to entries in the register of members after that time shall be disregarded in determining the rights of any person to attend or vote at the meeting.

6. Corporate representatives

Any corporation which is a member can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a member provided that they do not do so in relation to the same shares.

7. Voting rights

At 24 April 2026 (being the latest practicable date prior to the publication of this Notice), the Company's issued share capital consisted of 141,215,531 ordinary shares, carrying one vote each. The Ebiquity plc Employee Benefit Trust then held 2,262,845 issued ordinary shares to satisfy share option awards for the Company's senior management team and the trustee has agreed not to vote the ordinary shares held by it. As such, 2,262,845 ordinary shares are treated as not carrying voting rights. Therefore, the total voting rights in the Company at that date were 138,952,686.

8. Communicating with the Company in relation to the AGM

Except as provided above, shareholders wishing to communicate with the Company in relation to the AGM should write to the Company Secretary c/o the Company's registered office or send an email to companysecretary@ebiquity.com.

You may not use any electronic address provided either in this notice or any related documents (including the proxy form), to communicate with the Company for any purposes other than those expressly stated.

9. Voting results

The Company will publish the results of the AGM via a regulatory announcement and on its website www.ebiquity.com.

10. Definitions

AGM:	Annual general meeting
Annual Report 2025:	The Company's annual report and accounts for the financial year ended 31 December 2025
Board:	The board of directors of the Company
Company:	Ebiquity plc
Directors:	The directors of the Company
Rights:	Rights to subscribe for, or to convert any security into, shares in the Company

Explanatory notes to the Notice of Annual General Meeting

The notes on the following pages explain the proposed resolutions. The definitions used in this notice are set out in the notes on page 8.

Resolution 1: To receive the report and accounts

Company law requires the Directors to present the annual report and accounts of the Company to shareholders in respect of each financial year.

Resolution 2: Advisory vote on Directors' remuneration report 2025

In accordance with the recommendations of the QCA Corporate Governance Code 2023, we are seeking shareholder approval of the directors' remuneration report, including the directors' remuneration policy, set out on pages 67 to 75 of the Annual Report 2025 on an advisory basis.

Resolutions 3: Election of Directors

Chris Sweetland was appointed as an independent Non-Executive Director of the Board and Chair of its Audit and Risk Committee on 30 September 2025. In accordance with the Company's articles of association Chris offers himself for election at the AGM.

Chris's biographical details can be found on page 56 of the Annual Report 2025.

Resolutions 4 to 8: Re-election of Directors

The QCA Corporate Governance Code 2023 recommends that all directors should offer themselves for re-election at the AGM. Accordingly, this year all directors not seeking election at the meeting will do so.

Biographical details for the directors can be found on pages 55 and 56 of the Annual Report 2025.

Resolution 9: Reappointment of the auditors

The Company is required to reappoint the auditors at each general meeting at which accounts are laid before the members. Deloitte LLP have expressed their willingness to continue in office so this resolution is to reappoint them as auditors to the Company to hold office until the conclusion of the next general meeting at which accounts are laid.

Resolution 10: Auditors' remuneration

It is normal practice for a company's directors to be authorised to determine the auditors' remuneration and shareholders' approval to do so is sought in this resolution.

Resolution 11: Authority to allot shares

This resolution is to renew the general authority to allot shares in the Company and to grant rights to subscribe for or to convert any security into shares. This resolution, if passed, authorises the Directors to allot shares up to an aggregate nominal amount of £11,767,961 representing approximately one-third of the issued ordinary share capital of the Company at 24 April 2026, the latest practicable date prior to the publication of this document. If resolution 15 is passed, Resolution 11 will allow the Directors to allot shares up to a nominal value of £470,718. This limit of one-third is in line with the guidelines issued by the Investment Association.

The resolution also seeks authority for the Directors to allot shares in the capital of the Company in connection with a pre-emptive offer by way of a rights issue to ordinary shareholders up to an aggregate nominal amount of £23,535,922. This is equal to approximately two-thirds of the issued ordinary share capital of the Company at 24 April 2026, the latest practicable date before the publication of this document. If resolution 15 is passed, this authority will allow the Directors to allot shares in connection with a pre-emptive offer by way of a rights issue up to an aggregate nominal amount of £941,437. The guidance issued by the Investment Association recommends that, if the additional authority is used and the amount raised in any rights issues is more than one-third of the Company's pre-issue market capitalisation, all Directors wishing to remain in office should stand for re-election at the next AGM of the Company. The Board intends to follow this guidance.

The Directors have no present intention to use this authority except in connection with the Company's employee share schemes or as part of deferred consideration for recent acquisitions. If passed, the authorities will expire at the conclusion of the Company's annual general meeting in 2027, or 15 months after the passing of this resolution, whichever is earlier.

Explanatory notes to the Notice of Annual General Meeting continued

Resolutions 12 and 13: Disapplication of pre-emption rights

The Pre-emption Group's Statement of Principles, as updated in November 2022, supports the annual disapplication of pre-emption rights in respect of allotments of shares and other equity securities and sales of treasury shares for cash representing no more than 10% of the issued ordinary capital (exclusive of treasury shares), without restriction as to the use of proceeds of those allotments.

Resolution 12 allows the Directors to allot shares and sell treasury shares for cash on a non pre-emptive basis, ie without first having to offer them to existing shareholders in proportion to their holdings, up to a nominal value of £3,530,388 (representing 14,121,553 ordinary shares of 25 pence each). This represents approximately 10% of the total issued ordinary share capital of the Company at 24 April 2026, being the latest practicable date prior to publication of this Notice. On that date the Company did not hold any shares in treasury. If resolution 15 is passed, Resolution 12 will allow the Directors to allot shares and sell treasury shares for cash on a non pre-emptive basis up to a nominal value of £141,216. In addition, in accordance with normal practice, the resolutions will enable the Directors to allot shares for cash in connection with a rights issue or open offer and to deal with overseas shareholders and fractional entitlements as they see fit.

The Pre-emption Group's Statement of Principles also supports the annual disapplication of pre-emption rights in respect of allotments of shares and sales of treasury shares for cash representing no more than an additional 10% of issued ordinary share capital (exclusive of treasury shares), to be used in connection with an acquisition or specified capital investment.

The Pre-emption Group's Statement of Principles defines 'specified capital investment' as meaning one or more specific capital investment related uses for the proceeds of an issue of equity securities, in respect of which sufficient information regarding the effect of the transaction on the Company, the assets the subject of the transaction and (where appropriate) the profits attributable to them is made available to shareholders to enable them to reach an assessment of the potential return.

The purpose of resolution 13 is to authorise the Directors to allot new shares under the allotment authority given by resolution 11 or sell treasury shares for cash up to a further nominal amount of £3,530,388 (representing 14,121,553 ordinary shares of 25 pence each) equivalent to 10% of the total issued ordinary share capital of the Company at 24 April 2026, only in connection with an acquisition or specified capital investment which is announced contemporaneously with an allotment or sale, or which has taken place in the preceding six month period and is disclosed in the announcement of the allotment or sale. If resolution 15 is passed, the authority granted by Resolution 13 will be capped at a further nominal value of £141,216.

If the authority given in resolution 13 is used, the Company will publish details of the allotment or sale in its next annual report and accounts.

In addition, these resolutions allow the Directors to make follow-on offers of up to 2% of the issued share capital (which is 20% of the 10% of issued share capital authorities being sought). Any follow-on offer would be made to all existing shareholders, other than those involved in any non pre-emptive placing; would allow shareholders to subscribe for shares up to a maximum value of £30,000 each, at the same price as the placing or lower; and would be open for long enough to allow shareholders to become aware of it and reach an investment decision.

These authorities will expire at the conclusion of the Company's annual general meeting in 2027, or 15 months after the passing of the resolutions, whichever is earlier. It is the Directors' intention to seek the renewal of these authorities annually.

Resolution 14: Market purchase of own shares

This resolution seeks authority for the Company to make market purchases of its own ordinary shares. If passed, the resolution gives authority for the Company to purchase up to 14,121,553 of its ordinary shares, representing 10% of the Company's issued ordinary share capital as at 24 April 2026, the latest practicable date before the publication of this document. The resolution specifies the minimum and maximum prices which may be paid for any ordinary shares purchased under this authority. The authority will expire at the conclusion of the Company's annual general meeting in 2027, or 15 months after the passing of this resolution, whichever is earlier. If resolution 15 is passed, the minimum price payable for any ordinary share in the Company will reduce to 0.01 pence, being the new nominal value of each ordinary share subsequent to the passing of that resolution.

The Directors will continue to monitor carefully the capital requirements of the Company and do not currently have any intention of exercising the authority granted by this resolution. The Directors will only exercise the authority to purchase ordinary shares where they consider that such purchases will be in the best interests of shareholders generally and will result in an increase in earnings per ordinary share. The Company may either cancel any shares it purchases under this authority or transfer them into treasury (and subsequently sell or transfer them out of treasury or cancel them).

Resolution 15: Amendment of the Articles of Association of the Company

The Company is not permitted by law to issue any of its ordinary shares at an issue price which is below the nominal value of those shares. The nominal value of each of the Company's ordinary shares is currently 25 pence. This restricts the Company from issuing ordinary shares when it might be of benefit to the Company to do so, for example, in connection with the Company's employee share schemes or payment of consideration due in respect of acquisitions or other commercial transactions in the Company's interests.

In order to enable the Company to issue shares at an issue price which exceeds their nominal value the Company is proposing to effect a reorganisation of the ordinary share capital of the Company, by sub-dividing each of the existing ordinary shares in the Company of 25 pence into one new ordinary share of 0.01 pence each and one deferred share of 24.99 pence each. Resolution 15 is to give effect to this reorganisation and to amend the Company's articles of association to reflect these changes and set out the rights attaching to the deferred shares so created. The reorganisation of the Company's share capital, by the sub-division of the Company's ordinary shares and the creation of the deferred shares, as proposed in Resolution 15 a), is subject to the passing of Resolution 15 b) amending the Company's articles of association.

The reorganisation of the Company's share capital proposed by Resolution 15 will not affect the value of shares held by the Company's shareholders. Following this reorganisation, shareholders will continue to hold the same number of ordinary shares as prior to the reorganisation and will also hold one deferred share for each ordinary share previously held. Accordingly, there will be the same number of ordinary shares in the capital of the Company in issue as there are prior to the passing of Resolution 15 and therefore current shareholdings will not be diluted by the reorganisation.

The proposed new ordinary shares of 0.01 pence each will have the same rights as those accruing to the ordinary shares of 25 pence each currently in issue, including those relating to voting rights and entitlement to dividends and other distributions.

The deferred shares proposed to be created will have no significant rights attached to them, carrying no right to vote or participate in distributions and will not be admitted to trading on the AIM market of the London Stock Exchange plc. The deferred shares will effectively carry no value. No share certificates will be issued in respect of the deferred shares and no action is required by shareholders.

Holders of options over ordinary shares currently in issue will maintain the same rights as currently accruing to them and will not be issued with new option certificates.

A copy of the articles of association, as proposed to be amended by Resolution 15, will be available for inspection throughout the Annual General Meeting.
